

Jenny's Language Development:

Jenny's developmental age is At Risk.

Consider taking your child to see a speech-language professional, such as a speech-language pathologist or pediatrician.

Accelerate Jenny's learning curve to a higher level by engaging Jenny in conversational turns* and exposing Jenny to approximately 20,000 adult words per day (the equivalent of reading your child *The Cat in the Hat* a dozen times). In addition, you might want to consider purchasing our LENA Home product.

* A conversational turn is a vocal initiation (coos, squeals, babbles, or words) by your child and a response by you, or vice versa.

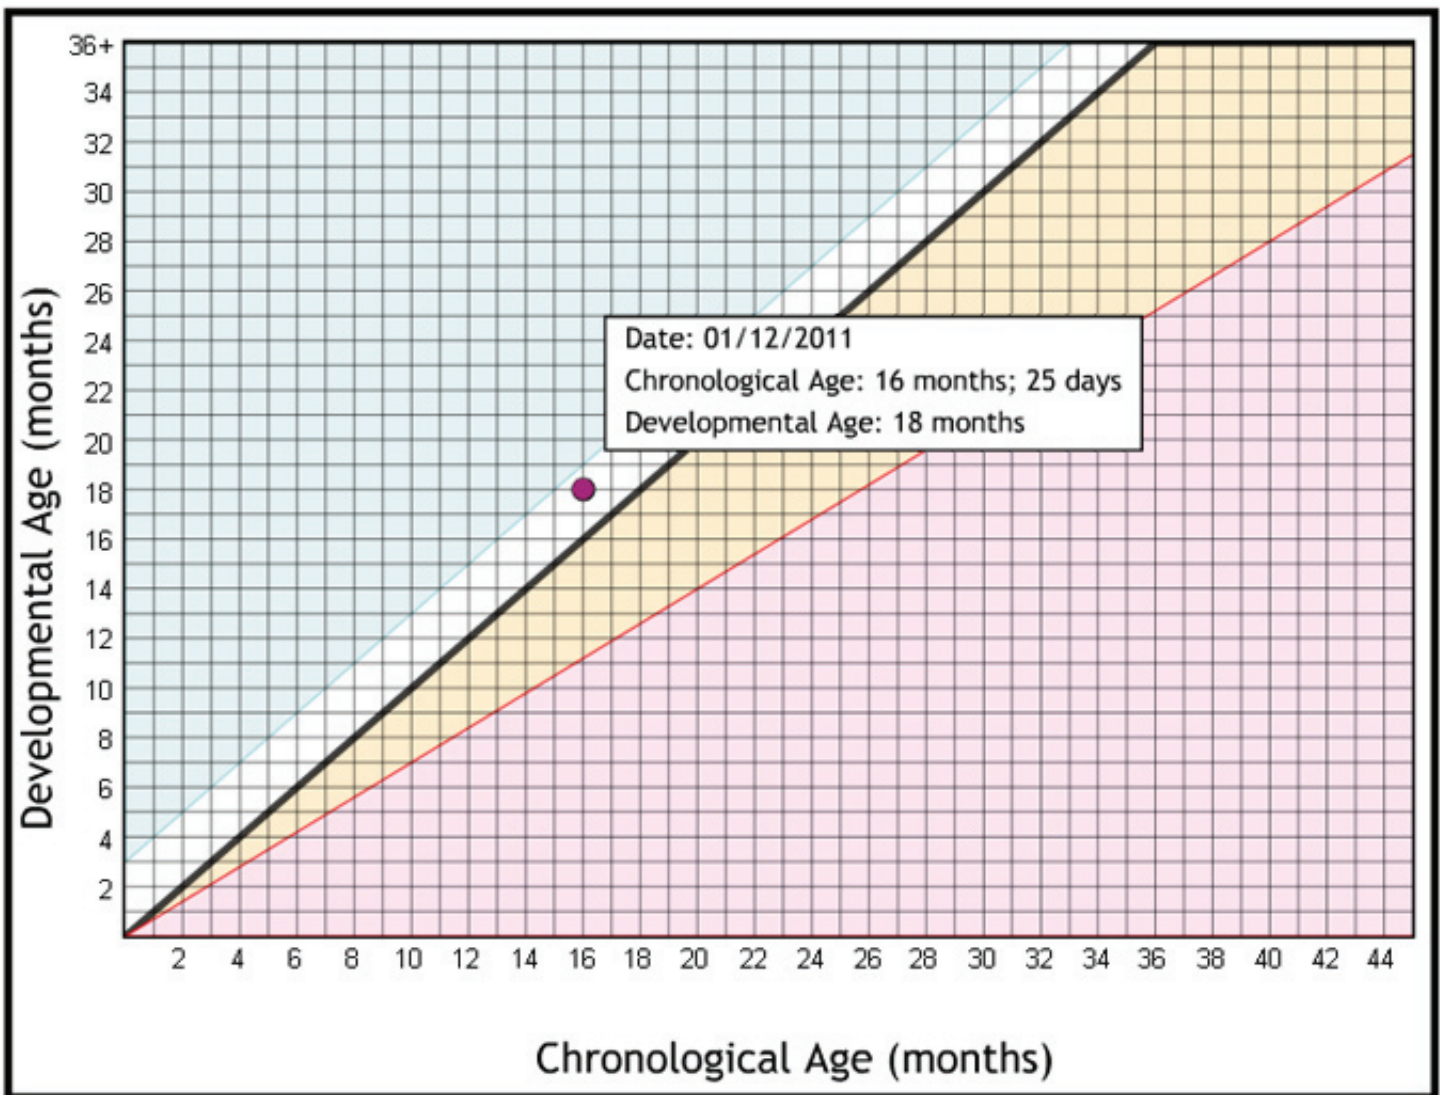

Jenny's Language Development:

Jenny's developmental age is Below Median.

Accelerate Jenny's learning curve to a higher level by engaging Jenny in conversational turns* and exposing Jenny to approximately 20,000 adult words per day (the equivalent of reading your child *The Cat in the Hat* a dozen times). In addition, you might want to consider purchasing our LENA Home product.
